

CHILD AND ADULT CARE FOOD PROGRAM (CACFP)

In an effort to reduce the costs of child care while ensuring children receive healthy and nutritious meals, eligible child care providers are given cash reimbursement for serving meals to enrolled participants that meet Federal nutritional guidelines, outlined in the CACFP meal pattern.

Do I apply for CACFP through HRDC? Yes. HRDC administers the Child and Adult Care Food Program (CACFP) for the Montana Department of Health and Human Services.

Which counties do you serve? Big Horn, Carbon, Custer, Fergus, Prairie, Rosebud, Stillwater, Sweet Grass, Treasure and Yellowstone Counties.

How many meals are eligible for reimbursement? Participating providers may be approved to claim up to two meals and one snack, or two snacks and one meal, per day, per child.

What training is required as a CACFP participant? Participants are required to attend two mandatory trainings annually. Please see the course calendar at www.hrhc7.org for additional information.

- The first 2-hour training includes a review of CACFP requirements, recordkeeping, payments, and civil rights.
- The second 2-hour training includes nutrition, CACFP meal patterns, menus, recipes, and food safety.

Do you conduct site visits? Yes. We will visit each CACFP participant's site a minimum of three times a year.

How do I enroll in the CACFP? Family and group home providers should call 406-247-4700 to apply. Child Care Centers must apply through the state department by calling 1-888-307-9333. Be prepared to provide the name of the provider (which must be the owner or director of the program) as well as your state provider license number.
